# fast track your career...

## COMPLETE YOUR 12 WEEK WORK EXPERIENCE AT VAN DER MEER

We offer 2 student placements in both our New South Wales and Victorian offices. It is our aim to help students grow and develop into engineering professionals who understand van der Meer's technical business environment and culture.

Van der Meer's under graduate program is a comprehensive and structured program delivered over a 12 week period where students will gain invaluable experience within a multi disciplined consulting firm.

Key features of van der Meer's under graduate program;

- Structured interviews and selection process
- Regular rotations throughout the program
- Exposure to unique and challenging projects
- Flexible hours to suit your schedule
- Excellent learning and development opportunities (internal and external) with ongoing feedback
- Office and site experience
- Inclusion in van der Meer's social club
- Mentoring support system
- Priority application for further graduate employment
