

OUR FOCUS IS YOU

WE ARE DEDICATED TO OFFERING OUR EMPLOYEES A SAFE, HEALTHY, AND NURTURING ENVIRONMENT.

At van der Meer our goal is to help you attain a healthy work-life balance while also providing opportunities to advance your career. We prioritize offering stimulating and engaging tasks, ongoing support, and fostering an interactive social environment. Our organization is dedicated to creating a workplace environment that feels like a family.

FLEXIBILITY

Management is committed to collaborating with staff to create flexible working arrangements. Our aim is to accommodate the diverse needs of our team members while ensuring the smooth functioning of the business, it also helps that we have offices!

MENTORING

Our mentor program is designed to facilitate your personal and professional growth, empowering you to acquire the knowledge and skill set you desire. You will have access to a variety of senior team members with a wealth of knowledge.

NETWORKING

We hold multiple events yearly to foster your networking skills and meet like-minded individuals in the industry. Van der Meer believes exposure to new things is an opportunity to grow, evolve and improve personal skills.

PATHWAY TO CPENG

We are dedicated to assisting you on your path to achieving chartered status, offering support and encouraging your participation in Continuous Professional Development (CPD) training.

SOCIAL

We enjoy getting together and having some fun, embracing a work hard, play hard attitude. Our social activities vary from bowling, whisky tasting, or a family picnic. We want to create a harmonious and enjoyable atmosphere within our team, fostering strong social bonds and camaraderie.

TRAINING

van der meer actively supports each employee's engagement in career development. we encourage all staff members who have the desire to up skill, work on a range of projects or even attend industry courses.
